

## AgentIQ: IoT & Agentic AI Education Bootcamp

### Frequently Asked Questions

1. What is the study nature of the program (in class or online) and if it is in class, where will be the location?

The training bootcamp will be held remotely. However, the graduation ceremony is expected to be held in person in Dammam.

2. What certificate will the bootcamp graduates receive, and is it accredited?

Participants will receive a certificate upon completion, qualifying them to lead the future of modern technologies in line with Vision 2030 objectives.

3. Are there any projects during the study period?

Yes, there will be real-world projects in areas such as smart healthcare, urban traffic management, and energy efficiency improvement.

4. Will participants receive a monthly salary during the study period?

No.

5. Will they be registered in (GOSI)?

No, there will be no monthly salary, and participants will not be registered in (GOSI).

6. Can I join the bootcamp while being employed?

One of the bootcamp requirements is that the applicant must not be employed.

7. When will the training Bootcamp begin?

The expected start date for the Bootcamp is July 27, 2025.

8. When will NITA contact me?

If you are nominated, you will be contacted through E-mail.

9. Facing difficulties during registration in the program?

In case you encounter any difficulty with registration, please contact us through email: [agentiq@nita.edu.sa](mailto:agentiq@nita.edu.sa)
